Customer Reviews

This is only a 2 CD 6 episode set in a cardboard sleeve. That was not obvious to me when I pre-ordered it. I thought it was a full 12 episode 4 CD hard plastic storage box. So this is a heads up for anyone else thinking the same thing. I have not listened to them yet, so this rating is just concerning my disappointment that it was not the full set I was expecting.

My kids are crazy for odyssey. We listen to it in the car and it has COMPLETELY changed our driving experience. I have 5 kids and they are all so quiet and attentive listening to the stories. Good morals and values too.

Another winner by Focus on the Family. Once again, "Taking the Plunge" did NOT disappoint. How AIO keeps coming up with great ideas, new & fresh ways to present situations, but also so relevant for our times. And what is more, so very necessary for our times. Have listened to it at least 4 times, with many more times in the future. Something new to hear each time I listen. Looking forward to the next album. :)

We are big AIO fans, and this collection did not disappoint. Wooten and Penny are some of our favorite characters!

I love every Adventures in Odyssey stories. I can't wait to hear what happened next with Wooten and Penny.

My family are big Adventure in Odyssey fans and we were enjoyed these episodes while on a long car ride.

Will always be a fan of AIO. This is not just for the young. Valuable lessons which transcend age.

Great album!!! I grew up listening to AIO and always look forward to the next album!!!!
