## Customer Reviews

Actually, I have bought all of Uncle John's trivia books. Just when I begin to wonder if another is coming out - there it is! This one was as wonderful as the others. Full of information I'll probably never need, but fun nonetheless and as a writer, I'll sneak some of this info into some future book I write.

My Stepfather really enjoys these books! It was suggested that I maybe pick up one for him, so I bought two! This one and the 2016 Bathroom Reader. He Loved them both! The smile on his face was priceless and I am so pleased with the outcome! I see more of these being purchased in my future!

I have been reading Uncle John's Bathroom Readers for more than twenty years. This has made me smarter, taller, and better looking. And my wife agrees with me, for all you smartasses out there. What a great pleasure these books are!

Too BIG to hold onto. So flashy tough to read. Don't want it and am sending it back. Have ALL yearly Bathroom Readers and most of the speciality ones. Have always loved them. This experiment should be flushed ... but it is too big and heavy. Why why why?

always a hit at Christmas, everyone enjoys checking out the latest, looks like a lot of fun facts

This book is an excellent addition to the Bathroom Reader series, and the use of pictures and artwork provides a whole new perspective on the always interesting articles.

I love these Uncle John books. They are the BEST!

Great Books - all of the Uncle John's books are great fun and informative. I buy many gifts like this one.
