The Meaning Of Marriage Study Guide With DVD: A Vision For Married And Single People

Synopsis

Modern culture would have you believe that everyone has a soul mate; that romance is the most important part of a successful marriage; that marriage does not mean 'til death do us part, but merely for as long as my needs are being met; and that when serious differences arise, divorce is the best solution. According to the Bible, all of these modern-day assumptions miss what marriage is all about. In *The Meaning of Marriage*—a six-session video-based Bible study—Timothy Keller, along with Kathy, his wife of forty years, draws a profound portrait of marriage from the pages of Scripture that neither idealizes nor rejects the institution but points us back to the relationship between God and man. The result is a vision for marriage that is refreshingly frank and unsentimental, yet hopeful and beautiful. This six-session video Bible study is for anyone from singles to couples considering marriage to those who have been married recently or for a long time. The six sessions are: Service: Marriage Isn't about You Covenant: Created to Make Promises Roles: Loving through Mutual Submission Singleness: Strengthening the Spiritual Family Sex: The Act of Covenant Renewal Hope: Seeing the Great Horizon

Tim Keller is the C. S. Lewis of our day. His theology and application is in a league of its own. The meaning of marriage does not disappoint. He again combines deep theological understanding of marriage and helps average people apply it.

Excellent resource for married couples and for doing a study.

Excellent

Because I thought it was going to talk about each bible verses..

This study is a great study for any marriage teachers a lot about God's way for those who want to study marriages through God

We had six wonderful sessions at our church. It is a great book for marrieds and singles!
