Most likely than not, you are! Maybe you have already formed a vague idea of what the travel experience will imply, and maybe it feels a bit overwhelming. You see, when it comes to travelling we are ALL in the same game, and yet most people don't realize it. Most people don't even take the time to prepare themselves in advance, and just wish for the best once they have arrived! Most people aren't aware of some of the most amazing places Thailand can offer... And it'd be such a pity to miss them! That's precisely why we need the RIGHT travel guide first. There's no point in going from here to there without a proper guide. I admit it: I used to travel like that a long time ago. It took me time to create the mindset of an experienced traveller. Customer Reviews

never been to Thailand, but getting ready to go.

Absolutely worthless. I looked for a hotel recommendation in Bangkok, There are about 2 paragraphs telling you that you can get a budget room for 500 - 1500 Baht or you can spend more for a deluxe hotel. So much for where to sleep. Where to eat is just as bad. Street food is readily available, including deep fried bugs. Thai food or vegetarian are also widely available. If you want chinese go to Yaowarat. and for Indian try the indian neighborhood. Pahurat. How do you return a Kindle book?

Not enough detailed information for my needs. Seems geared more toward the young/casual traveler.

This book will be an ideal purchase for you if you are looking of going Thailand in the near future because this book contains a whole host of time saving and pleasurable things you can do in Thailand that you might not be aware of. In a matter of hours, you can be fully prepared for your journey to Thailand, saving you time and money. Don't miss this book!!!

This is a terrible travelers guidebook to Thailand. There are no pictures or maps and has minimal information. Bangkok has one page of worthless information. It is written like a high school research paper. Will need to get another one as this is useless. Not sure why there are such good reviews
