This book is cool. Steve the noob makes another yet awesome and funny book. This book is awesome. Even though Charlie faced some troubles along the trip, and did a bunch of weird stuff, he did become a charged creeper.

No really it's called diary of a charged creeper, and he was only charged for 9% of the book! Exactly 9%, actually. I went on the page where he became one, and I looked and it said I was 91% through the book :P Amazing from Steve the noob as always!
