Customer Reviews

Awesome publication! All the recipes that you need to follow your diet in one book! This book offers over 100 recipes in a compilation of diets like Atkins, Paleo, Mediterranean, Dukan, Ketogenic, etc.All recipes are separated by diet in each chapter and all have easy to follow step-by-step instructions that will have you in no time enjoying delicious and healthy recipes that will help you to lose weight.I love this book and I recommended to all the people doing diet but who doesn't know what to eat!

When it comes to any kind of weight loss or healthy diet most people will think that when they attempt it, they will suffer some kind of deprivation.After reading this book, it is clear that this is not the case when using this Diet Recipes. You can easily use the information inside to tailor a diet that is sustainable for the long term. As someone that believes in fitness and a healthy lifestyle, I think that this type of long term planning is the only way to go.

I've tried many dieting book but no one was as I expected. This book contains 9 different dieting systems which are described clearly from which you can select your suitable one. You will also get 100+ recipes which are very easy to make. Great worth buying this book.
