The Posters That Won The War: The Production, Recruitment And War Bond Posters Of WWII

Synopsis

The production, recruiting and War Bond posters of World War II were America's "weapons on the wall." Millions of posters of hundreds of unique designs cascaded off the presses and onto the American landscape, raising hopes in the dark days after Pearl Harbor and convincing folks on the home front that their efforts were the key to victory. Encouraging the people of America to do their part to aid in the war efforts as well as take care of themselves, these War Bond posters were a beacon during World War II. Posters That Won the War expertly preserve the most important posters of the World War II era. Inside Posters That Won the War, find beautiful prints of the posters of World War II. Through times of emotional and physical struggle in postwar America, artists did their best to engage a sense of safety and lovingness for their fellow Americans. The result was a beautiful array of posters that will remain priceless always. These "Weapons on the wall" are a crucial piece of American history that will never be forgotten. If you are searching for a gift for the history buff in your life, or an addition for your own library, Posters That Won the War will delight them for years.

Customer Reviews

The edges were a little torn on the book cover, so I'd like to give it a 4.5 stars. But other than that it's a wonderful book! I'm glad I purchased it. The shipping seemed long and drawn out, but it was within the 2 or 3 week window as they promised. So can't really complain there.. I would recommend this book to others interested in the subject matter however! :)
