Cross Words With 4 - 5 Letters: Mini Cross Words

Synopsis

Preface Menu This has reference to my earlier eBook "Mini Cross Word-1". This book has been unpublished later due to reason that one of the customers started operating this as a game and made a negative remark. Now I thought of publishing this eBook again with a different Title with some user-friendly modifications. Modifications: In my earlier eBook you could see the whole solution of a puzzle together when you click "Solution"™. In this version you could see each letter of the cross words separately when you click the underlined dot in each cell. Also the solution of the whole puzzle is given. Those who have bought my earlier book "Mini Cross Word-1" will not find anything new except these modifications. So it is their choice to buy this. Solving word puzzles has long been a passion of mine. It keeps my brain energized and helps spur my creativity. I started creating my own simple word puzzles to challenge the minds of my grandchildren and to improve their vocabulary. During my travels, I happened to notice many people in trains & airports searching for word puzzles in news papers and weekly magazines, and only finding one or two puzzles for the long train / plane ride, which were usually unchallenging and unsatisfying not to mention a lot of time to kill. So I created this book to compile as many puzzles as possible in one place, so that anyone who grabs it can sit back and solve some captivating puzzles during a long trip, travelling to and from work or at home. Seeing the interest it has created in my grandchildren & within my own family, I was convinced to start publishing to reach a wider audience. I hope these puzzles peak your interest and challenge your mind. Once again I want to stress the point that this is only an eBook not e-Game Thanks, Vijaykumar Pillai
