Bahrain's Uprising

BAHRAIN'S UPRISING

EDITED BY
ALA'A SHEHABI &
MARC OWEN JONES

Synopsis

Amid the extensive coverage of the Arab uprisings, the Gulf state of Bahrain has been almost forgotten. Fusing historical and contemporary analysis, Bahrain's Uprising seeks to fill this gap, examining the ongoing protests and state repression that continues today. Drawing on powerful testimonies, interviews, and conversations from those involved, this broad collection of writings by scholars and activists provides a rarely heard voice of the lived experience of Bahrainis, describing the way in which a sophisticated society, defined by a historical struggle, continues to hamper the efforts of the ruling elite to rebrand itself as a liberal monarchy.
