I had gotten sciatica a few months ago from lifting weights. I did the deadlift that I hadn't done in a long time without warming up properly. I have cured my body of sciatica from doing 5 Organ Qigong. It took a few months but its been a few months since its been healed and its good bye forever sciatica lol. This is the book that helped me with doing the 5 Organ Qigong.

Qi Gong healing was a positive step in the right direction. It is very helpful for training and keeping a person in excellent shape, unfortunately, there are so many free videos on Youtube and free advice on the internet about Qi Gong, that that information could have been downloaded for free.
