## Customer Reviews

This really touched me and increased my faith. I've been struggling with trusting the Lord in a trial I've been going through. After reading this I realized I was feeding my own doubts with the words I used and the thoughts I chose to entertain. Forgive me God! I'm trusting in you now Jesus! This book built my faith because it made me examine my heart. I trust that it will do the same for you.

I was told I hurt people with the things I say this book, has taught me to think before I speak it may save a relationship

Very informative ,full of Bible based teachings . I will reference it often in my own personal growth

and others . Be Blessed as I was .

Wow this book I will be reading it again: It was written for me. A must read see if you change words what will happen. After reading this book I ask God to help me change my words to be more positive so I can transform.

I don't care much for books that only give the writer's opinion on what to do to change your life, but Adam Houge uses a lot of scripture to back up his words. I found myself thinking about what I was about to say in a few instances that could have turned out badly for all concerned, had I not chosen my words carefully after reading only one chapter. I'm grateful for the wisdom God has given to this author. After reading many reviews, even before I had actually read this book, I purchased several of his books. After reading it, I'm really glad I did. It was very easy reading and very enlightening. I'm looking forward to reading many more of his books.

Each time I read a book by Adam Houge I find more reasons to be a fan. This book is moving and gives real life examples on was to change your words. I recommend this to anyone who is lost and confused it just might help you find your way.

This book I'd such an easy quick read. It made me think of things in a new way. I highly recommend it

I love this book! I have been praying for God to help me in how I speak to my children; especially when they exasperate me. This book has led me to the words that I need to go to Lord with for deliverance from what I say and how I react to others. Thank you.
