The Crock Pot is an incredible kitchen gadget that allows you to let your food cook on its own for hours while you go about your day. The result is you coming back to a delicious comforting meal that took little effort to make. It is an unfortunate truth that the majority of us will become ill at some point in our lives. The few that do not are either very lucky or have an amazing immune system. It is very comforting to know that, when you do get sick, the medical community is there for you.
