Customer Reviews

I've purchased many different Beezix cheatsheets for my employees as well as myself. They have

ALWAYS been helpful and well worth the costs. From experience, I highly recommend their products.

I've fallen in love with these cards!!! Although they might not give the detailed info a 200 page book might give, they give me enough concise info to get the job done!!! Even better, they are inexpensive!!!

Easy to use and very helpful.

It covers a lot of the same things covered in the Excel and Word 2016 Quick References.

poor format for teaching

It's what I expected.

A quick refresher to use when needing one of the less-used Office 2016 features. Nicely organized and compact to store in a handy desk cubicle.

Handy cheat sheet
