# Fine Art Wire Weaving: Weaving Techniques For Stunning Jewelry Designs

## Synopsis

Wire jewelry has never been more popular--but you've never seen projects like this before! In *Fine Art Wire Weaving*, award-winning author Sarah Thompson shares her secrets to creating wire jewelry that's nothing short of spectacular. Using super-fine wires to create 20 delicate, sophisticated pieces, you'll achieve that "wow" factor, all under the guidance of an expert jewelry teacher. You'll learn how to work with these fine wires successfully, as well as what to do when one of your projects goes awry. Using techniques in layering, symmetry, and dimensional shaping, you'll come away with a strong foundation in wire working so you can create your own one-of-a-kind pieces. Paired with beautiful, 4-color photographs, Thompson gives you step-by-step instructions to creating jewelry to pretty to keep for yourselfâ but that you won't want to give away!

## Customer Reviews

FINE ART WIRE WEAVING, Weaving Techniques for stunning jewelry designs, by Sarah Thompson, is a breathtakingly beautiful introduction to the art of wire weaving. The book isn't just about the beauty of this jewelry however, although it has that in spades. It also delivers a solid, concise learning base for the reader. You can see just from the cover photo alone how amazing fine art wire weaving is, when taught by author Sarah Thompson. Her step-by-step instructions are clear and understandable. The photos of the projects are totally gorgeous. You will be seeing rings, necklaces, earrings, and bracelets. Some are fashioned from wire alone. Some have gems, pearls or crystals as a part of the design, front and center or as accents. Many of the projects have really fine variations. You get your money's worth when you purchase FINE ART WIRE WEAVING! There

is a holistic sensibility to these woven wire designs, They are classic in form yet have gorgeous leaps of freedom and wildness. Sarah Thompson balances artful tension and control, backed up by her dynamite originality . FINE ART WIRE WEAVING is very complete, containing not only the projects, but lists of materials, tools, ways to fix mistakes (I love her for that!) and other great additions such as instructions with photos on how to make your own findings for your jewelry. There is also a resource section. The projects range from beginner to intermediate to advanced, so don't be afraid of this style of making jewelry. You will be able to make your own chic jewelry right away. There is nothing which isn't exceptional about FINE ART WIRE WEAVING. I was immediately engaged by it. Every detail is carefully thought out and explained.
