# Washi Tape Crafts: 110 Ways To Decorate Just About Anything

## Synopsis

It's the definitive washi tape craft book for adults. Washi tape "the Japanese decorative paper tape that's easy to tear, peel, stick and re-stick" is transformative, fun, and remarkably easy to use. It's also never been hotter. Now comes the only adult washi tape craft book packaged with the tape itself "ten rolls, with 18 feet in each roll" making it a complete kit and outstanding value. Packed full of amazing projects and ideas, it's the book and tape kit that shows all the ways to be creative with washi tape. The book includes techniques: precision tearing, wrapping, and weaving. How to make bows, rosettes, and other shapes. How to seal and weatherproof designs to make them permanent. And 110 projects, with color photographs and step-by-step instructions, from custom photo frames to one-of-a-kind gifts. The possibilities are endless. Â

A year ago I knew nothing of washi tape. What is washi tape you may ask? Well essentially washi tape is a low-tack tape, traditionally made of paper, that is mostly used in craft projects. I was introduced to washi tape when I stumbled on Bible Art Journaling and Illustrated Faith. I usually purchase mine on sale or at Dollar Stores because they can be quite expensive. As much as I would like to have a variety of colors, there is quite a bit of tape in a roll of washi tape and sometimes you have to be reasonable not to have too many. As I mentioned I usually use my washi tape in my bible journal when I create a drawing to remember a specific scripture. And though the first things I think of when it comes to washi tape would be scripture journaling, scrapbooking and

homemade cards, I suspected that this media could be used for many other things.9780761184836So imagine my delight when I discovered a fun little book titled Washi Tape Crafts from Workman. This fun little book also comes with ten rolls of washi tape of about 18â™ of tape in each roll. This makes the book a complete kit and an amazing value for the crafter you know.This book is packed full of amazing projects and ideas. The book and tape kit will show you all the ways to be creative with washi tape. The book includes techniques: precision tearing, wrapping, and weaving, how to make bows, rosettes, and other shapes, how to seal and weatherproof designs to make them permanent and much more. With over 110 projects, with color photographs and step-by-step instructions, from custom photo frames to one-of-a-kind gifts, the possibilities are endless for the craft person in you.
