## Customer Reviews

This book is very timely and mandatory reading for those planning to go to college or anyone considering getting their first credit card. The author stress the importance of financial educations then lays out an action plan to confront debt and get rid of it. Many of the points suggested are sound, "you should already know that" ideas. But others are surprisingly simple ideas to use the changing landscape of the internet economy in your favor.

Debt is not suitable for happy life. We should try to make a debt free life, because it can rob happiness and peace from our life. So, we have to search the way to make a debt free life. In this book author has shown the way to make a debt free life. Author has discussed 9 steps to make a debt free life. All important steps, duties and strategies to build a debt free life have been described in this book. Also has added some techniques to increase the income which is helpful to decrease debt.

The author has done a great job and really shared something that matters in our life. Debt is considered the most heavy stress on minds and after reading this book, I have ways to get rid of it as soon as possible. Not only I can get rid of my debts, but also I have felt a passion to make several ways of generating income. Great read, Recommended to everyone!

It can be really hard to get out of debt, especially if you don't even know where to start. This book makes everything much easier, it guides to step-by-step through everything you need to do in order to get out of debt fast. I would recommend this book to anyone who wants to get out of debt or increase their income.

I don't know why Ashton Pereira selected this type of Topic to write in. But there are A vast of study about Debt !! suggest all to read this book carefully to know about Debt and Learn a lots of tips So that you can get out of Debt forever with your maximum knowledge.

Mr. Pereira stresses the first step to being debt-free is to stop spending money I didn't have. So I froze my credit cards and started to use cash for my 'spending' money. I appreciate the different formulas introduced within this book!

This will take a lot of effort and discipline but if you follow the author's advice you will see yourself debt free or at least knocking your debt down. Just know that it can be done and this book shows

you how.

This book offers strategies and techniques combined in nine steps that will help you get rid of your debt. It also has great advices that will work, but is not going to be easy especially replacing your bad financial habits with new ones.
