Orchestrating Piano Music In Sibelius 7.5 With EWQLSO Gold: Including The Orchestral Score "Indwellings"

Synopsis

Learn how to orchestrate piano music in Sibelius 7.5 using the East West Quantum Leap Symphonic Orchestra Gold sound library. This guide contains many screenshots and easy to follow step by step descriptions showing you how to set up your orchestral score in Sibelius; adding the piano piece that you want to orchestrate; working out your orchestral ideas and bringing them into the score; using the EWQLSO library to get the best possible playback and creating the final recording in Logic X (or your DAW of choice). A fully orchestrated song cycle titled "Indwellings", containing 7 songs for baritone and piano is included, showing the original piano part which makes it ideal to study the orchestration.
