Evidence: Cases Commentary And Problems [Connected Casebook] (Aspen Casebook)

Synopsis

Buy a new version of this Connected Casebook and receive access to the online e-book, practice questions from your favorite study aids, and an outline tool on CasebookConnect, the all in one learning solution for law school students. CasebookConnect offers you what you need most to be successful in your law school classes â “ portability, meaningful feedback, and greater efficiency. Evidence: Cases, Commentary, and Problems offers comprehensive coverage of the topics and concepts central to evidence law, while remaining concise enough to cover in a four-unit course. Organized around the Federal Rules of Evidence, with carefully edited cases, thought-provoking problems, and a wide variety of secondary material, this casebook gives students a solid foundation in the principles and debates surrounding evidence law without the confusion of more encyclopedic approaches. Features of Evidence: Cases, Commentary, and Problems: Comprehensive coverage of all subjects traditionally covered in evidence courses, as well as areas of emerging debate. Well-selected, tightly edited cases illustrate the central concepts and controversies of the law rather than attempting encyclopedic coverage. Carefully selected problemsâ “some hypothetical and some based on actual casesâ “allow students to test their understanding of particularly confusing rules. Compelling excerpts from treatises and law review articles; portions of the legislative history of the Rules, particularly the Advisory Committee Notes; and congressional reports and floor debates augment the cases. Thoughtful organization of the material is based on the Federal Rules of Evidence and leverages the Rules as a teaching tool. Chapter 1 provides the background knowledge assumed in most discussions of evidence law, including judicial opinions, the Federal Rules of Evidence, and the Legislative History of the Rules. Thoroughly updated, the revised Fourth Edition presents: New material reflecting developments in confrontation clause jurisprudence, especially as relates to *Melendez-Diaz v. Massachusetts* and *Michigan v. Bryant*. New material on privilege and physical evidence. Numerous new cases added, with older ones moved to the website. Revised material to reflect technical and jurisprudential developments in the field of scientific proof. CasebookConnect features: ONLINE E-BOOK Law school comes with a lot of reading, so access your enhanced e-book anytime, anywhere to keep up with your coursework. Highlight, take notes in the margins, and search the full text to quickly find coverage of legal topics. PRACTICE QUESTIONS Quiz yourself before class and prep for your exam in the Study Center. Practice questions from Examples & Explanations, Emanuel Law Outlines, Emanuel Law in a Flash flashcards, and other best-selling study aid series help you study for exams while tracking your strengths and weaknesses to help optimize your study time. OUTLINE TOOL Most professors will tell you that starting your outline early is key to being successful in your law school classes. The

Outline Tool automatically populates your notes and highlights from the e-book into an editable format to accelerate your outline creation and increase study time later in the semester.

Customer Reviews

Large text, super easy to read, definitely a great book for learning Evidence. It only gives you what you NEED to know. Note: don't use highlighter in this text. It all bleeds through.
