Customer Reviews

Mediterranean Diet for Diabetes is a good book for those suffering from diabetes. I bought this book because in our family, we have a history of diabetic cases. After reading the entire book keenly for four days now, I can bet the information in this book is awesome. The diet recipes in this book not only seem to lower book sugar, but also they look tasty and delicious. I can't comment on weight loss benefits of this diet, because everybody in our family is thin, and we would like to add some few pounds

I am so glad I bought this book! I love every thing Mediterranean, especially the food. This book provides great recipes from around the rim of the Mediterranean that are not only delicious, but are also healthy.

The Mediterranean diet is a fantastic way of life that has kept people healthy for centuries. There is the reason that the people of the Mediterranean are some of the healthiest in the world, and that is their diet. Whether you are ready to start small or dive into a full lifestyle makeover, foods and recipes mentioned in this book can be a good start. There is a list of top food items that you should add to your shopping list when beginning the Mediterranean diet for diabetes. I recommend this book to anyone looking for a new interesting suggestions about diet for diabetes.

The Mediterranean Diet gives you a simple understanding of what it means and discuss topics related to diabetes such as simple, complex carbohydrates, and glucose. It references various research and provides some food guidelines like olive oil and nuts. A variety of healthy Mediterranean recipes for Breakfast, Lunch and Dinner are provided including Quinoa with Chia Seeds, Artichoke Salad, and Moroccan Chicken Burgers.

Enjoy food but also make sure what you are eating! Healthy food is the best and if you can get mediterranean recipes is even better, Im looking all the time for books like this one because now Im taking care of my medical condition and after reading this book I got very good tips !

This book has helped me a lot! The author has done a great job explaining what the Mediterranean

diet is and what you should be eating. I really liked the recipes at the end of the book, they are all very healthy and sound delicious. This is a great book and I highly recommend it!

This looks like a great recipe book. It gives a good description about what the Mediterranean Diet is and what it can offer you. Explain good and bad fats, and carbohydrates. And lists many recipes that look very delicious and fabulous. Can't wait to try them.

The Mediterranean diet has become more popular, which I don't mind. I loved the food when I was in Greece, Italy, Turkey, and Spain. Those people know how to cook! This book contains some yummy meals and a diet plan.
