Arte Costarricense Del Siglo XX: Historia Crítica (Spanish Edition)

Synopsis

Obra l cida, sugestiva, de estilo preciso y sobrio, que est  aqu  para conducir, ense ar y, lo m s importante, iluminar  reas del terreno art stico que hab an permanecido en penumbra y que, al descubrirlas, nos renuevan la fe en lo que los costarricenses hemos sido capaces de crear. Si la obra de Carlos Francisco Echeverr a logra todo es porque su autor sabe escudri ar en el esp ritu de cada artista que menciona, adem s de establecer puntos de referencia, pol ticos y sociales, que necesariamente ubican al lector en determinada situaci n o circunstancia que rodea la personalidad del artista, su  poca y su obra. Libro se ero, de capital importancia para la historia de nuestras artes pl sticas.

Customer Reviews

Lastima that there is no print addition. Only digital. But the new comprehensive sections on Jose Sancho and Fabio Herrera are quite something. Making it an important addition to my Latin American art library.

It is an imitation . It's false.It is not the original .It's a shame that sells fake products.
