Customer Reviews

I really liked how the recipes ranged from meats to desserts. I'm a big fan of whiskey so finding other creative ways to use it has been very exciting. The alcohol isn't too overpowering in the recipes and they're very tasteful. Im looking forward to trying them all.

I'm not a big drinker, but adding whiskey to my food has definitely added a certain kick to it. The recipes alone are great and easy to follow. My favorite would have to be the whiskey bacon deviled eggs, by far the best I've ever tried. I just wish there were more recipes in the book!

A lot of the recipes in this book are just standard recipes with 1/4 cup whiskey added. Not at all creative or unique.

Love this.. Thank you
