IPad And IPad Mini Made Easy: The Easy-to-understand User Guide For The IPad And IPad Mini

Synopsis

Are you looking for a roadmap to getting the most from your iPad? This is the clearly-written, no-nonsense guide to the iPad or iPad Mini that youâ™ve been looking for! Freshly written to cover the details of Apple's iOS operating system, iPad and iPad Mini Made Easy will cover what you need to know to use your iPad like a pro! Learn iPad tips and tricks involved in navigating the user interface, learn to install, maintain, and arrange your apps, set up your e-mail accounts, and use the built-in cameras like a pro! You will learn all of this and more in iPad and iPad Mini Made Easy!

ABOUT THE AUTHOR iPad and iPad Mini Made Easy comes from the pen of Edward Jones, the principal technology writer behind the "Kindle Fire Tips, Tricks and Traps" series of technology books. Jones is an experienced computer and technology writer, database applications development analyst, consultant, and trainer who understands the issues faced by people dealing with technology, day in and day out. His career spans years of technology training, database development, and consulting services for major law firms and government agencies in the Washington, DC area, and he currently resides in Charlotte, NC where he is concentrating on providing publications to the rapidly growing digital marketplace. Jones is also a best-selling author whose printed titles have sold over one million copies, and he has served as a technical editor on numerous computer books.

Customer Reviews

Great!

Many things come up every day that are questions - to have something convenient to work from if you get stuck is always a help.

Just "so so".

too basic

The book was easy to follow while containing very useful information for someone new to Apple's IOS environment.
