Synopsis

Hallo friends, My name is Tom Wheels and i am not here to sell you another roulette book. In this book i am going to teach you my system that can give you a steady return on your investment. Because that is what a roulette can give you or better that is what a player - investor should want from a roulette. A casino is not a place that can make you rich. They do not donate money to you. One must Develop self discipline, stick to the system, must have a money management strategy or will become the next loser gambler. My system is so simple to understand that you will master at it after reading the book. You will be then ready to beat the casino. Then it is up to you. Follow the rules, the money management strategy and take those chips and leave. It is sometimes enjoying when there are 40 people at a table and after playing and playing for a while they all live and it is only me at the table playing until my system tells me to stop. I do not like when people lose but i enjoy a little my success. But most of all i enjoy the steady income that i have. Hope you enjoy my book and start gaining some beautiful chips!! I would say happy gambling but instead i will just say: Happy Investing!!
