The Ultimate Guide To WordPress Security: Secure And Protect Your WordPress Website Form Hackers And Protect Your Data, Get Up To Date Security Updates

Synopsis

The Ultimate Security Guide for WordPress! If you are just starting up or very familiar with WordPress then this book is the right choice for you. Even if you are thinking of starting up a new website or a blog then this course will open your eye and enable you to pro-actively think of your site in completely different ways. This course aims to take a frustrating and complex subject (WordPress Security) for many of us and make it easy and simple as securing your website is for sure not easy and if difficult and can cost you if you are not careful. In this course, I will go through mostly FREE tools and plugins to secure your site. I will implement my three proven methods to secure my sites and client sites. No Technical knowledge or Skills needed at all to take this course. So if you have a WordPress website or thinking of creating one any time in the near future then take this course
