LESBIAN ROMANCE: Claire And The Lady Billionaire (FF Billionaire Lesbian Romance Short Stories)

Synopsis

A Fun, Sexy and Adventurous Lesbian Billionaire Romance (Book One - No Cliffhanger) Claire Lundy is a promising business school student but family circumstances have brought her home to the Oregon coast where she works double-shifts at the local supermarket. It's closing time on a sultry mid-summers eve when a seductive stranger appears with movie-star looks and expensive taste. Claire is entranced by the woman and accepts her invitation to her beach side mansion for a sensuous evening of fireworks and Champagne. But a storm threatens the beach side town and what begins as an innocent bit of fun for Claire turns into a night of danger, adventure, passion and fortune. A note from the author: This book includes strong language and explicit adult situations, so if you're looking for a good saucy read with fabulous leading ladies and a plot that will keep the pages turning, you've come to the right place.

Customer Reviews

Loved it! I read all 5 books and loved the characters. I had very little expectations about this series. I usually find the whole billionaire genre tedious and corny but this was well written and fun. The dialogue was entertaining and the storyline was fast moving without any of the usual plot devices. It kept me entertained throughout. I will follow this author. Her books are fun.

Personally i love this style of writing. Once you got into it you will not want to stop and go with next and next book. I love both characters, they are complex and exciting. I highly recomend this series.

Suprising romance with great sex !I recommend this author, the story starts like a fairy tale and as you go on, it gets more and more interesting, it is full of surprises and make you want to read more from both characters ! I love the end, it is so sweet !

I absolutely love this story! Very well written and the characters are fantastic! I read them over and over again. Can't wait for the next installment!

This a a great storyline. I can't wait to read more. I wish it had been an entire book! The writing is professional and leads you along at a good pace.

Looks like the start of a good sexy series! I can't wait to see what's going to happen in the next book.

It is story to show there are still good people in this world of not so good people. I really enjoy this book and starting to read more of her work

This book is unique, but too short. Thankfully there are more books to follow. I believe 3 or 4 more? I hope they are not this short though.
