Customer Reviews

Was expecting a book, but got what looked more like a pamphlet, also threw it away by mistake. The recipes were detailed and easy to follow, my only issue is the pictures are in BLACK and WHITE. Would have been nice to see some color.

I've learned in this book has a lot of interesting things. With 25 recipes, the author was very meticulous instructions and easy to follow. Now you absolutely can make delicious dishes in your home, without having to expensive restaurants. We thank the author gave me more useful information
