## Customer Reviews

My boyfriend loved this book, it fits in his pocket which is what he was looking for. He can take it with him on all his adventures

BOOK IS IN GREAT CONDITION AND IS VERY HELPFUL IN IDENTIFYING MY BOTTLES.

This is a fabulous book. It contains great photographs along with a lot of expert information and advice. There is a lot of information in this little book. A great buy.

It didn't have enough of the bottles I was looking for. But I suppose there is no comprehensive guide that could include ALL bottles.

Greatest book ever written for Bottle Collectors! A must read, must have with you at all times!

Great little book. My husband keeps this in his truck.
