Cengage Advantage Books: Fundamentals Of Business Law Today: Summarized Cases (Miller Business Law Today Family)

Synopsis

Packed with 2013 and 2014 cases, **FUNDAMENTALS OF BUSINESS LAW TODAY: SUMMARIZED CASES**, 10e presents the core business law topics you need to know in a concise paperback. Summarized cases integrated throughout illustrate key points of law without overwhelming you with unnecessary detail. Intended for the one-term course focused primarily on contracts and sales, the text condenses the latest legal topics--including cyberlaw, health-care, financial reform, and more--for quick comprehension. The Tenth Edition devotes an entire chapter to Internet Law, Social Media, and Privacy, while all-new features like Debate This, Spotlight Cases, and Spotlight Case Problems provide ample opportunity to apply what you learn to real-world business issues. Current, abbreviated, and affordable, **FUNDAMENTALS OF BUSINESS LAW TODAY: SUMMARIZED CASES**, 10e provides an easy-to-understand alternative to traditional Business Law texts.

Customer Reviews

Rented for a college class of course but this book was really great! I wish I still had it to reference some business law topics that come up in conversation. I was expecting it to be extremely complicated language but it was very simple and easy to understand.

This book is what I needed but it's in poor condition. The binding is very wore out and the book looks as though it's ready to split in half. Where do I post pictures of the poor condition? I want to ensure I'm not charged for damages.

Book is what I needed and delivered on schedule. The binding on it is a little worn out. Otherwise, exactly what I needed.
