It doesnâ™t matter how you like to do it, whether you like to knit, crochet, weaveâ | whatever. If you have an imagination, any kind of creativity, and some time, you can make whatever you can dream of.It seems like the more people embrace their fiber arts, the more variations of these arts pop up. They are elaborate, they are simple, they are easy to do, and they are difficult. It all depends on what you want and what you are making. The most important thing that you can do with these arts is to be yourself. Find what tool you like to use and use it to make anything and everything you can dream of. Then again, you may be one that doesnâ™t want to use any tool. Perhaps you are a person that doesnâ™t want a needle, loom, or hook, and would rather express yourself with only yarn.If this sounds like you, then you need to give arm knitting a try. That is where this book comes in. In it you are going to learn how easy arm knitting is, and you are going to find some simple patterns that are going to help you get started in this fun and unique hobby. It doesnâ™t matter what you want to make, you are going to find that you can do it all on your arm, no hooks or needles necessary! This may sound strange, but you can make blankets, scarves, sweatersâ | anything! And this book is going to show you how. Learn the basics of arm knitting Learn how to make different items Practice with a variety of patterns that we have provided Have fun making these patterns your own Follow the instructions to learn how to make your own patterns And more! Customer Reviews

There is nothing visual in this book. If you have some experience it will help but at the very least pics of the finished projects would help.

You can tell when a book is free, they need more pictures that show you how to do stitches.

Nice Product, fast Service!
