## Customer Reviews

This is my first complete set of meat recipes, I've just discovered from another side all the benefits of Dutch oven, so many new dishes, I adjusted them even for home cooking. Jerky recipes

with fish are great, now I have more ideas and recipes with all kinds of meat and some sea products.

My husband and I love smoker recipes. We have followed several recipes and we are satisfied with every one of them so far. Smoked chicken thighs was our favorite. The instructions were easy to follow and the images were mouth watering. Also I am glad that I found a bunch of slow cooker recipes which I make during special occasions, as it allows me to prepare food ahead of time.
