# A Cup Of Coffee With 10 Of The Top DUI Attorneys In The United States: Valuable Insights You Should Know If You Are Charged With A DUI

## Synopsis

Anybody can be charged with driving while impaired. Whether you regularly enjoy an evening cocktail before dinner, or have an attitude adjustment with office co-workers during "happy hour," and then sit behind the wheel to drive down a public highway, you are at risk for a DUI/DWI charge. This charge is likely to have a significant impact on many areas of your life; your income, your freedom, and your ability to get a new job. This book will arm you with everything you need to know and do if you are ever pulled over by the police and charged with a DUI/DWI. • What should I say to the officer when he asks if I've been drinking? • Can I refuse to take the breath test? What happens if I do? • Should I just accept a plea bargain? • What are the collateral consequences and how can I minimize them? You will gain valuable insights from ten of America's leading DUI/DWI attorneys on how to protect yourself and your family from the perils of the courtroom, and from the paralyzing shame of being convicted.
