## Customer Reviews

Nice to have a copy of the Federal Rules of Civil Procedure and the Rules of Evidence in one publication. And best of all, the price isn't outrageously expensive like most editions. I really like having this copy ready on my desk or with me in court to quickly review what I need.

This does not come with the appendix, other than a reference to a website. That was disappointing, because the table of contents in the order showed the appendix in it. But otherwise, not problems at

all.

The Federal Rules of Civil Procedure and the statutes that relate to venue, jurisdiction, and removal from state to federal court. This is a perfect quick reference for my desk. I love it.

Exactly what it looks like: a small and convenient edition of the Federal Rules of Civil Procedure. Some pocket editions are too small and hard to read, but this one is the perfect size.

This is just a barebones Civil Procedure volume, but it has what you need and won't fall apart on you.
