## Customer Reviews

Good readable font of about 14-16 or so. Challenging, entertaining. I buy these for a family member who uses them to decompress. He takes an interest in the topics and actually learns new things in the process. One book lasts him a couple months and he works on these a few hours daily.

Arrived quickly. Love these Word Searches. My husband and I take turns with doing these. Good variety of topics-good quality-easier to read than some others.

I love these books. I don't get out of my house much these days, and I can stay occupied for hours. This is my second book and I will order others.

Gave as a gift! Recipient loved it! I looked it over before sending it as gift & was really impressed!

Love doing the puzzles in this book. Puzzles are very interesting. Great way to relax in the evenings.

Great books. Hours of entertainment and pleasure.
