Powerful Prayers In The War Room: Learning To Pray Like A Powerful Prayer Warrior (Battle Plan For Prayer Book 1)

Synopsis

I WANTED TO PRAYâ |BUT I DIDNâ T KNOW HOWAs Christians, we often struggle to find the words to speak in the presence of God Almighty. Praying to God may feel foreign or like a ritual, and adding to that frustration, we worry that God isnâ t listening. Even if He hears, will He reply? This book will show you that God not only listens but also answers. He is waiting to provide an outpouring of blessings, if only you will ask Him. God wants you to be a prayer warrior and will help you. Author Dan Lancaster was struck by the power of the prayers answered during his time as an international missionary in Southeast Asia. These answered prayers brought glory to God and helped advance His Kingdom on Earth. THOSE are the types of prayers we need in the world, and that is the direction this book will guide you. Prayer was never intended to be complicated. The truth is that Jesus showed His disciples how to pray and He wants to show you how to pray too. The author brings 40 years of his personal experience to the pages of this book, but most importantly, he looks to the Word to unearth what Jesus prayed about and how. With beautiful simplicity, Dr. Lancaster offers tangible methods to reshape your prayer life beginning today. By opening your heart to these actionable techniques, you will begin to experience the true power of prayer in your relationship with God, in your community, and in ways you could never have imagined. Customer Reviews

I grew up in church but like many others, I walked away as a young adult â “ determined to live life on my terms. Turns out my terms kind of stunk but I was too proud to admit it. I finally came back to church about fifteen years ago and have a much deeper relationship with God than I ever knew possible as a young person. I believe in, have witnessed and personally experienced the power of prayer. However, I have struggled to go deeper in my own prayer life. Powerful Prayers in the War Room by Daniel Lancaster has given me a step-by-step guide to a deeper, more powerful prayer life. The basic principles, tips and strategies laid out in this little book are invaluable. I have read a few books on prayer over the years and it seems as though most make it more complicated than it really should be, which is neither helpful nor encouraging for the believer struggling with his/her prayer life. Additionally, most believers know that the Lordâ™s Prayer is the example Jesus gave us of how to pray, but like many believers, I can honestly say that I have never taken the time to study and understand it. Lancasterâ™s years of study, missionary work, and pastoring have led to a simple, user-friendly guide to a more powerful prayer life. He has taken the Lordâ™s Prayer and other simple examples of Jesus praying in the Bible and given readers four weapons of prayer, seven powerful prayer topics (taken directly from the Lordâ™s Prayer), outlined four ways in which God answers prayer, three war room prayer strategies and nine tips to improve oneâ™s prayer life â “ all in one forty-six page book! In addition to this little book being a valuable and very usable tool, Lancasterâ™s writing style is fluid and easy to read.

Melvina~This email breaks my heart. I have prayed and will continue. We do not have her name. He refers to her as his wife on the back of the book. This prayer request goes up on my bathroom door frame. See you Wed. Donna Hubbard Every knee will bow . . . > From: gzgaston@aol.com> Subject: Letter from Daniel B. Lancaster> Date: Mon, 29 Feb 2016 19:08:10 -0800> To: donnahubba@msn.com>> Hi Donna,> just today I received an email from the author of "Powerful Prayers in the War Room", Daniel B Lancaster. Remember the little booklet I gave you? He is asking prayers for his wife who has ovarian cancer. We don't know him personally but since we all belong to one body, I believe God impressed in him to ask prayer reinforcement from us. And God is giving us a burden to pray also for those who bless us with their writings.> So we are Christ's

ambassadors; God is making His appeal through us. We speak for Christ when we plead, "Come back to God." (2Corinthians 5:20)>> Here's his letter:>> Hi Melvina,>> Praying today finds you blessed and your prayer life stronger. I have been blessed by so many of the reviews on and wanted to say thank you again.>> A friend today encouraged me to write you and ask for your war room prayers> for my wife. She was diagnosed with ovarian cancer three months after we left the mission field. Satan just doesn't play fair.>> This is the most difficult spiritual battle I have ever fought, and I could use some reinforcements!
