Australians Awarded 2nd Edition

Synopsis

This second edition is without question the most comprehensive reference of honors, decorations, awards, medals and official forms of recognition to Australians ever produced. *Australians Awarded* has been compiled over 15 years to create 800 pages of in-depth detail on Honors, Medals and Decorations bestowed upon Australians from 1770 to 2013. This edition includes comprehensive ribbon charts incorporating historical and current awards; detailed tables for types of awards; numbers issued, values, font types, medal types, ribbons, clasps, official badges, plaques, scrolls, certificates and detail for entitlement. *Australians Awarded* also includes the only comprehensive listing of foreign orders and decorations to Australians between 1850 and 2013, as well as the never before published state-by-state multi-jurisdictional internal forms of recognition and awards. All of this is studied and explained, with 1000's of images and extensive historical text. This book is for anyone with a passion for Australian military history, the enthusiast or specialist, the professional, the amateur, the collector, the dealer or simply anyone who has ever been, an Australian Awarded.
