Winning Poker Tournament Strategies

Synopsis

Most poker players dream of winning a huge 10 Million prize on TV, but the reality is that most find it difficult to win at even small stakes. Sometimes they blame bad luck for their loses when in reality, they are have not developed the right skills to succeed in poker.The secret to mastering poker is not in memorizing charts or blindly following a system. Instead you need to follow a set of guidelines and adjust your strategy based on the situation at hand. This book will explain how you can become a winning player by implementing a step by step system that will allow you to beat Sit And Go Tournaments that exist within many popular poker venues.
