The Home Barista: How To Bring Out The Best In Every Coffee Bean

Synopsis

For coffee enthusiasts everywhere, a charming handbook to becoming your own favorite barista. More than 100 million Americans start each day with a cup of coffee (many at no small price)! It's a fact: We love coffee. Now, in *The Home Barista*, two professionals reveal the secrets to brewing coffee worthy of the priciest caf  s right in your own kitchen. Connoisseurs Simone Egger and Ruby Ashby Orr enlighten readers with insights and advice from crop to cup and beyond. Savvy, smart, and charmingly designed, *The Home Barista* guides you through the essentials—from understanding your bean's origins and establishing your palate to perfecting your technique. It's the essential coffee-lover's guide to turning a simple bean into a sensational beverage: Roast your own beans. (Is it worth it? How not to burn them!) Learn all the lingo you need to talk coffee like a pro. Master the elusive espresso (by refining tamp, time, and temperature). Create barista-worthy milk texture and foam designs. Try seven different ways to brew—from the French press to the Turkish ibrik.

Customer Reviews

Fantastic read! Covers everything from history to region types of beans, tastes to ways to roast you're own beans, and even covers a variety of equipment to roast, brew, and serve the freedom of real coffee.

Superb read for the aspiring barista & the skilled barista alike!

A great resource for anyone wanting to learn more about the coffee/espresso you drink. But most especially for those who are brave enough to try and make espressos for themselves at home.

So many amazing things I had not known or heard of. A must read ! You will devour this in no time !

Love this book, just what I was looking for in terms of size and info.
