Customer Reviews

This is a bit different than most of the other Puzzlewright crossword puzzle books; its hints and answers are fresher, and more varied!Does seem to be at the same level of ease as other Puzzlewright books in this category.I hope Mr. Orbach continues doing these books!

Never trust a crossword puzzle that says its easy. When a crossword puzzle is easy, it is easy for a 70 year old who has extensive cultural knowledge and won't have to think too hard on most clues. To the average Joe, especially someone under 30 or 40 year of age, 'easy' is equivalent to 'pretty hard'.

Not so easy but fun:)

love it

great
