I got hooked on fill ins because I don't have the smarts for crosswords lol. Great time killer, still have to think it through and addictive. I love this because it's bright white paper instead of the pulp type stuff regular books are on. The listing is a little weird as far as the order of the words. May have been an error in mine or intentional not sure but for example the 5 letter at the end of the page goes back to top left w next word. Not a deal breaker by any means, just different. Like the book overall so far.

The print was large, the sheets were bright white, and it was perfect for my 84 year old friend!

This was a gift for my dad who loves crossword puzzles. As a person in my 60's I found I appreciated the large print, too, and will be getting one for myself.

Great paper, nice heavy paper, I use erasable ink and it stands up to erasing, have bought and completed volume 1 and 2, highly recommend these books!

These are hard to find in brick and mortar stores now, so this was a quick fix to hook my grandfather up with an old favorite type of puzzle book.

Bought these puzzles for my 88 year old mother and she's hooked on them.

Paper is thicker and the pens needs to go firmly down when writing
