## Synopsis

If you or someone you know is infected with the Hepatitis C Virus (Hep C, or HCV), then this book is for you! Read on your PC, Mac, smart phone, tablet, or Kindle device. Hepatitis C is a serious condition which requires your immediate attention. Many people are afraid of the ridicule and stigmas associated with Hepatitis C and therefore shy away from seeking treatment while the condition worsens. Taking appropriate healing measures - including medication - is of utmost importance since statistics prove that as many as 80% of Hep C sufferers are cured successfully. However, there are other lifestyle factors that can greatly affect your recovery, including numerous alternative and home-based treatments that can help ease the symptoms. This book will discuss the Hepatitis C therapeutic drugs currently available, the known side effects of these drugs, and other alternative methods of treatment - including home treatment methods and suggested lifestyle changes - as well as specific techniques on how to prevent the spread of Hep C to other members of your family. Here Is A Preview Of What You'll Learn... ## Customer Reviews

Can You Get HEP C From Kissing? The answer is yes and no, if a mouth infection is involved, it is possible. This is a information-packed little book which gives the important things you need to know about Hep C. Did you know there is Hepatitis A, B,C, D, E, and each one is treated differently. The author Wendy Johnson in seven short chapters directs her spotlight on Hepatitis C. She shows you how you can get infected with Hep C. You learn how to discover if you are infected and how to treat it. A whole chapter is devoted to Home Prevention and treatment. This is something we need to teach our kids. The author has a chapter that covers many of the successful treatment methods of today. Another chapter is dedicated to complications of Hepatitis C. The author finishes with a section on Valuable Pointers. Everyone should read this book! Recommended!

The information in this book is top notch. When it comes to Hep C treatment the nutritional advice in this book was great. There are a lot of great natural cures and remedies and I liked how everything was laid out and kept simple to understand. Great Book. Highly recommend if you are looking to educate yourself on remedies for Hep C.

Interesting info to know.
