Arrived right on time. However, I purchased a new book The upper left hand corner is all smashed in and creased. Something sticky on the outside cover. Looks as though it may have been used and returned. This is definitely not a new book.

I purchased this for my online class for massage therapy. It was such a good deal! Brand new condition, no wear or tear anywhere. For the price and quality, I was very impressed!

I received it in PERFECT condition , i was able to pass my class with no worries(:
