# Pathfinder Cards: Tech Deck Item Cards

Synopsis

From the perilous holds of a crashed alien vessel, this deck presents a trove of treasures for use in any science fiction adventure, including laser rifles, gravity suits, nanite canisters, and other mysterious items inspired by classic scifi. Each of this set's 54 beautifully illustrated, full-color cards includes space on the back to add notes for each item, allowing players to track their favorite treasures. Price includes VAT. Super-Science! Strange helmets and armor, futuristic medical technology, and weapons unlike any in the known world all appear in this trove of treasures for use in your science fantasy or science fiction campaign. Each of this set's 54 beautifully illustrated, full-color cards includes space on the back for players to add notes on their loot. These Pathfinder Item Cards are designed for use with the Pathfinder Roleplaying Game, but are compatible with any fantasy roleplaying game.
