# Podcasting Made Easy: A Short Guide To Planning, Scripting, Outlining And Creating Your First Podcast

## Synopsis

“I’d love to start a podcast but I don’t know what to say.” This commonly uttered phrase stops countless would-be podcasters from ever recording their first episode. There are tons of online tutorials about the technical aspects of podcasting. They tell you which equipment to buy, which software to use and how to get your show on iTunes. Some of them suggest writing a script or an outline, but no one tells you how to do it. “Podcasting Made Easy” is a step-by-step guide to help you develop ideas, write a script or outline for your show and prepare your podcast.
