## Customer Reviews

Great Book, well worth the price. The pages are full of color photos. I was actually surprised that it was as big as it was. We wrapped them up with mason jars and ingredients as part of baskets we gave as gifts.

Bought it as a gift for a friend. The pictures are colorful and the recipes are easy to follow. Somebody better buy one for me soon!

Lots of great ideas

Works well for my cocktails which i also serve in mason jars.
