# Chemistry For Changing Times (14th Edition)

## Synopsis

NOTE: You are purchasing a standalone product; MasteringChemistry does not come packaged with this content. If you would like to purchase both the physical text and MasteringChemistry search for ISBN-10: 0321971183 /ISBN-13: 9780321971180. That package includes ISBN-10: 0133901483/ISBN-13: 9780133901481 and ISBN-10: 0321972023/ISBN-13: 9780321972026. For non-majors introductory chemistry courses. Make chemistry relatable to all students. Chemistry for Changing Times has defined the liberal arts chemistry course and remains the most visually appealing and readable introduction to the subject. The Fourteenth Edition increases its focus on environmental and other relatable issues with revised green chemistry essays throughout and new Chemistry at Home experiments, both in the text and in MasteringChemistry. Abundant applications and examples fill each chapter and enable students of varied majors to relate to the content more readily. Updated material throughout reflects the latest scientific developments in the field demonstrating the relevance of chemistry to all students. Also available with MasteringChemistry. MasteringChemistry® from Pearson is the leading online homework, tutorial, and assessment system, designed to improve results by engaging students before, during, and after class with powerful content. Instructors ensure students arrive ready to learn by assigning educationally effective content before class, and encourage critical thinking and retention with in-class resources such as Learning Catalytics. Students can further master concepts after class through traditional and adaptive homework assignments that provide hints and answer-specific feedback. The Mastering gradebook records scores for all automatically graded assignments in one place, while diagnostic tools give instructors access to rich data to assess student understanding and misconceptions.

## Book Information

Paperback: 816 pages

Publisher: Pearson; 14 edition (January 9, 2015)

Language: English

ISBN-10: 0321972023

ISBN-13: 978-0321972026

## Customer Reviews

This book was required for my Chemistry class. I found it to be very confusing. I don't know if it's because I'm just not a fan of Chemistry or what, but I often felt lost in this book and had to re-read several parts to make sense of it. The book is very informative, but for some parts, the text is just difficult to interpret, especially if you take the course online like I did and don't have direct access to your professor.

Met my needs for inorganic 121 and organic 131 classes

Slightly folded but from the edges but no complaint. Easy book to understand the concepts of chemistry

Way better than buying it at the book store

New and in good condition

Shipped on time ! Great
