# Empowerment Series: Understanding Human Behavior And The Social Environment

## Synopsis

Zastrow and Kirst-Ashman's UNDERSTANDING HUMAN BEHAVIOR AND THE SOCIAL ENVIRONMENT, 10th Edition looks at the lifespan through the lens of social work theory and practice, covering human development and behavior theories within the context of family, organizational, and community systems. Using a chronological lifespan approach, the book presents separate chapters on biological, psychological, and social impacts at the different lifespan stages with an emphasis on strengths and empowerment. Part of the Brooks/Cole Empowerment Series, this edition is completely up to date and thoroughly integrates the core competencies and recommended practice behaviors outlined in the current Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE).

## Customer Reviews

Purchased to use in a Social Work class. Each chapter is quite lengthy and covers a lot of material. Overall good.

A life saver to have this available on Kindle. I needed it asap for class and it was a fast and easy purchase. Great price. Thank you.

Needed this book for classes. It is not a difficult read which I like.

This review will be about the rental service which is great.

used for social work course. Came as expected, great shape.

The book was really great. Learned so much. Very thorough.
