No Picnic On Mount Kenya

Synopsis

In the shadow of Mount Kenya, surrounded by the forests and creatures of the savannah, life drags interminably for the inmates of P.O.W. Camp 354. Confined to an endless cycle of boredom and frustration, it is little wonder when one prisoner realises he can bear it no longer. When the clouds covering Mount Kenya part one morning to reveal its towering peaks for the first time, Felice Benuzzi is transfixed. The tedium of camp life is broken by the beginnings of a sudden idea - an outrageous, dangerous, brilliant idea. There are not many people who would break out of a P.O.W. camp, trek for days across perilous terrain before climbing the north face of Mount Kenya with improvised equipment, meagre rations, and with a picture of the mountain on a tin of beef among their more accurate guides. There are probably fewer still who would break back in to the camp on their return. This is the remarkable story of three such men. No Picnic on Mount Kenya is a powerful testament to the human spirit of revolt and adventure in even the darkest of places.

Very interesting book. Highly recommended WW2 adventure. John Ebey

Great African adventure.

A classic of prisoner of war escape storys, - and its all true. They escape from a Bristish POW camp in Kenya, try to climb Mount Kenya, succeed on a lesser peak, then return to Camp. Is was a pretty gentle POW camp but still pretty strong stuff.
