Customer Reviews

My cast iron pans are my favorite. This book has yummy, easy recipes, especially for a beginner. I recommend this book.

Cooking in skillet is a great way to cook and so healthy for you too it adds extra flavor and iron. How great is that.

Very easy and yummy. Recipes were easy to follow and I loved that it took minimal dishes to dirty!!
A+ all around!!

hey i have started cooking at a really young age and i really love this book i think all kids should read this.

Good cookbook, recipes are good and easy to prepare. The Homemade Skillet Apple Pie is wonderful!

Not enough "complete meal" recipes. Not enough recipes suitable for electric skillet.

There are a number of very interesting recipes in this book. I can't wait to try them all!

Lots of good recipes always looking for something to eat that is easy and quick.
