## Customer Reviews

This book offers many unique recipes for the vegan lifestyle. The directions are easy to understand and apply, nothing difficult to comprehend when making these delicious recipes. Anyone who is a Vegan knows how hard it is to explain this lifestyle to persons and knows how hard it is to transition, especially when the cravings hit. The author gave tips on what to eat when certain cravens come on and also gives diet plans which incorporate the â œSuper Foodsâ • which make up the Vegan diet. The recipes are easy with ingredients which are readily available and are delicious which will help you maintain the Vegan diet.

I am a vegan and I have been looking for good cookbook for me that am why I bought this book. One of my friends suggests me for purchasing it. I found this book to be very informative for someone just starting out with absolutely no clue how to begin. This book contains 33 delicious and tasty vegan recipes and I am impressed with all the recipes. I have tried about 8 recipes and they were tasty and low cost also. This book takes easily accessible ingredients and turns them into a delicious and healthy dish. I really love this cookbook. Thanks to the author.

This is one of the best book Iâ™ve ever read. I purchased this book because my husband is a vegetarian. I always cook vegan food for him. He will surely love these recipes. Itâ™s worth it buying this book. I will prepare all the 33 delicious and low cost vegan recipes for him. i recommend this book to all vegetarian out there.

Take time to read on the different Recipes provided in this book to make a decision on the best dishes for you. Veganism is gaining popularity of recent because of the healthy related issues especially with the risk that red meat and high-carbs that they present on the health of the people in the United states. Veganism is ans assured way to prevent the cancers and heart diseases that have increased of recent because of our poor health habits.

This book contains everything you need to know about veganism, its origin, its history and its benefits. The author is very detailed in all his chapters and topics, talking about the history after which diving down into the Diet plans, shopping guides, Diet tips & Breakfast, lunch and dinner recipes. The author did a great job providing useful practical information that will help you eat vegan healthy to you choose. I recommend you grab this guide and let the author know your thoughts.

I have been a vegan for a while now but I have been having trouble because I have gotten busier lately and needed some quick cheap vegan meals . This book was just what I needed because it has many great quick and cheap vegan recipes. I definitely recommend this great book!

Vegan diets are now mainstream. It's up to you how far you want to take your veganism – do you want to do meat/vegan, vegetarian/vegan or 100 percent vegan? – but you have no excuse not to give veganism a try! In this friendly, little book, you will find a reason to be vegan and many recipes for breakfast, lunch and dinner. Recipes are Quick and Tasty Plant-Based that the Whole Family Will Enjoy. I've been vegan for close to a year, and this book has helped me find good tasting recipes. The Easy Vegan budget Cookbook, packed with lot recipes, is a must-have cookbook for vegans with families, busy schedules, limited budgets and hearty appetites for healthy food that simply tastes good.

I love vegan and this book describes numerous inimitable recipes for the vegan lovers. The instructions are informal to comprehend. You will not find anything hard to understand when preparing these delightful recipes. The writer provided advice on what to eat and then when to eat, respectively depends on the situation. I love vegan recipes and I am using them for a long time so I can suggest these exceptional recipes to everyone.
