Very enjoyable book to read! I really enjoyed reading this even though it may have been a little short it does make it up in sheer quirkiness and charm. It was interesting that I kept forgetting this book is about Minecraft. Every now and then something specific to Minecraft would show up and I would have to remember that the images in my head need to be more pixel-like! So much worth recommending Minecraft book!

This book can allow you to understand on what seeds are in Minecraft and what its purpose. The book tour you on the most effective Minecraft seeds, it provides codes that the Minecrafter use to get worlds for each gamer. The books site the worlds filled with superb mountains, deep caves, jungles and forests with natural floating island for your journey map. This book helps you to guide a way to play in in order that you'll enter the terrific worlds in random places of identical world and play

together with your heart content. These seeds supply numerous elaborated screenshots and coordinates to search out the things you wish in your Minecraft World. I like to recommend this book to any gamer!

This is such an interesting and impressive Minecraft book! This is truly a gain for me all in all for I have played Minecraft that much. As kids have been playing to this game rapidly, the opposite side is me. But now I'm trying to look for knowledge about this game. This book's content is precise and made simple to understand which is a benefit. Some of the seeds are really cool! I wanted to look further when playing. So much worth recommending to all!

This is a fantastic book on Minecraft Seeds. I'm new to Minecraft so I need lots of help, and this book is perfect! It's so detailed and really helped me out a couple times already. Not to mention, the bonuses in this book are AMAZING! Really cool stuff. Shout out to the author -thank you!! If you play Minecraft, I'd highly recommend this!!

Great e-book that shows a lot of tips and tricks to master the world of Minecraft. It gives a thorough explanation of what seeds are and how they work. You also learn the best worlds to play with your friends - on the best servers! Overall this book was very informative and helpful as I navigate the world of Minecraft.

My son is really into Minecraft and I wanted to learn more about it so we can play the game together and talk about it. This is a helpful game guide on the top minecraft seeds and it's written in a ways that's easy to follow and entertaining. There's pictures provided in the book which made it really helpful

It is really cool and I would recommend it to want kids (or adults) that are in to minecraft. What I liked about this book was that it had a lot of cool seeds. I would recommend this book to players of all skill levels. It has a wide variety of seeds.

Great writing, great info you won't find at many other places. Really good but way too long. The author could compromise it way more. However, if you really like minecraft, this is the book!
